

<b>Category</b> (科目区分)	Cluster common basic subjects		
<b>Course Title</b> (授業科目名)	Clinicopathological Conference		
<b>Instructors</b> (担当者名)	Yasufumi Omori	<b>Academic Year</b> (配当年次)	Years 1 and 2
<b>Required Course / Elective Course</b> (必修/選択)	Elective Course	<b>Credits</b> (単位数)	1
<b>Class Format</b> (授業形態)	Conference		
<b>Schedule</b> (開講期間)	All through the year		
<b>Class Date/Period</b> (開講曜日・時間)	2 or 3 Thursdays per month (The schedule is posted on buletin boards)		
<b>Course Outline/ Course Objectives</b> (授業の概要・到達目標)			
<p>Aims: Verifying the relevancy of clinical diagnosis and treatment and understanding the procedures and the methods for analyzing antemortem pathophysiology in each autopsy case.</p> <p>Objectives: To understand the clinical course and the maroscopic, microscopic, molecular pathological findings in each autopsy case. To participate actively in dicussion between clinicians and pathologists.</p> <p>Outline: Several cases autopsied in Akita University Hospital are presented at a conference as follows.</p> <ol style="list-style-type: none"> <li>1. Presentation of a summarized clinical couese of each autopsy case</li> <li>2. Presentation of laboratory data and image findings</li> <li>3. Presentation of macroscopic findings on autopsied organs</li> <li>4. Presentation of histological findings</li> <li>5. Explanation on molecular pathological analysis</li> <li>6. Discussion on antemortem pathophysiology</li> <li>7. Discussion on the cause of death</li> </ol>			
<b>Course Planning</b> (授業計画)			
	<b>Course Outline/ Course Objectives</b> (授業の概要及び到達目標) <b>(Contents of Class)</b> ( (授業内容) )	<b>Instructor</b> (担当教員名)	<b>Department</b> (講座名) <b>Class Room</b> [実施場所]
1	Presentation of a summarized clinical couese of each autopsy case	Physicians in charge and pathologists involved in each aytopsy case	Department of Molecular Pathology and Tumor Pathology [Reserch Building for Basic Medicine 2F, Conference Room 2 or online through ZOOM]
2	Presentation of laboratory data and image findings		
3	Presentation of macroscopic findings on autopsied organs		
4	Presentation of histological findings		
5	Explanation on molecular pathological analysis		
6	Discussion on antemortem pathophysiology		
7	Discussion on the cause of death		
<b>Grading Criteria</b> (成績評価の基準と方法)			
The grades are determined by the frequency of presence at the conference and the quality of discussion presented by each student.

<b>Comment</b> (その他特記事項)			
<p>Remarks: Working students, due to their duties, may not be allowed to be present at our scheduled session. We will thus be pleased to arrange a schedule flexibly in their favor.</p> <p>Textbooks and reference literatures: When necessary, our handouts will be provided. Helpful reference literatures will be suggested.</p> <p>Subjects for self-learning: Students are expected to prepare for each session according to the course outline and objectives.</p>
